Dixie High School, Basketball Starting Team, 1958-1959 with Coach Walt Brooks. Left to right, George Staheli, Durant McArthur, Penn Smith, John Phoenix, and Jeff Holland.

Season Record was 21-4 and team finished second in the State. Carrying over from the unbeaten season of 1957-58 (21-0) the team had a 28 game winning streak, the longest in Dixie High School History. It is of interest that Dixie High beat Basic High School of Henderson, NV twice; their only losses.

Dixie High School represented the African country of Sudan at the 5th Annual Model United Nations held at the University of Utah, Salt Lake City, April 17, 18. Proceedings were similar to those of the regular United Nations Assembly, giving the students a real look into world affairs and methods of solving problems.
